ARIES

(21 March- 20 April) The people around you may seem mad at you lately. It's possible you're imagining it but either way you should bring them donuts or booze depending on how mad you think they are.

LIBRA

(24 Sept- 23 Oct) An attempt to solve a problem may lead to a larger problem arising. That's why despite the common expression, you shouldn't fight fire with fire.

TAURUS

(21 April-21 May) A conflict at work may cause high tensions between you and a coworker. Allowing this resentment to stew is a mistake. Challenge them to a duel ASAP.

SCORPIO

(24 Oct- 22 Nov) Taking time for yourself away from the world is important once in a while. I don't blame you. It's a circus out there.

GEMINI

(22 May- 21 June) Thoughts on the nature of reality may fill your head lately. This may be because the passage of time brings a greater uncertainty about life and the world. It could also be that someone dosed you with mescaline

SAGITTARIUS

(23 Nov- 21 Dec) A miscommunication with a Methodist Pastor may lead to you owning a ski lodge in Uzbekistan. Probably not though.

CANCER

(22 June- 23 July) All things flow in a cycle. As one season changes to the next we change with them. Lucky numbers are 4, 8, 12, 9, and 10,493

CAPRICORN

(22 Dec- 20 Jan) You need to get a grip and practice what you preach to others. No joke here. This one is at least partially serious.

LEO

(24 July- 23 Aug) A friendship may be tested by an uncomfortable truth. This can be avoided if you just keep lying until one or both of you die.

AQUARIUS

(21 Jan- 19 Feb) A fear of effort may be keeping you from pursuing your career as a concert cellist but how do you get to Carnegie Hall? It's at 881 Seventh Avenue in New York City. The streets are all in a grid pattern so it

VIRGO

(24 Aug- 23 Sept) Taking care of your mental health in this climate is important. Try unplugging in order to relax, or alternatively plug in if you require shock therapy.

PISCES

(20 Feb- 20 March) There's a possibility that in a previous life you weren't royalty.
