## HOROSCOPES

Week of Feb 28 2026

**(21 March- 20 April)** You may face a tough decision soon that requires you to choose between the lesser of two evils. So choose whoever is shorter.

**(24 Sept- 23 Oct)** It may feel like the world is unjust right now but don't worry. It's always been like that.

**(21 April-21 May)** It's never a bad time to buy a luxury car. Even if you can't afford it and go into crippling debt, people will still think you're cool.

**(24 Oct- 22 Nov)** Trying to genetically splice your dna with a scorpion may cause a difficult period for your loved ones.

**(22 May- 21 June)** Fighting city hall can be an incredibly challenging process. You'll probably just break your hand.

**(23 Nov- 21 Dec)** A lack of decorum from a stranger may leave you asking "do you know who I am?" Don't do that, literally no one can say that sentence without sounding like a jerk.

**(22 June- 23 July)** So many things may come to mind when you think of the word anxiety. Try listing them off to yourself in order to calm yourself down.

**(22 Dec- 20 Jan)** A sudden and unexpected change at work may have you feeling stressed. Hang in there though, you can do two people's jobs if you put your mind to it.

**(24 July- 23 Aug)** A sudden change in the weather may have you stepping out in order to enjoy it. If you see cows flying still, it may just be the eye of the storm.

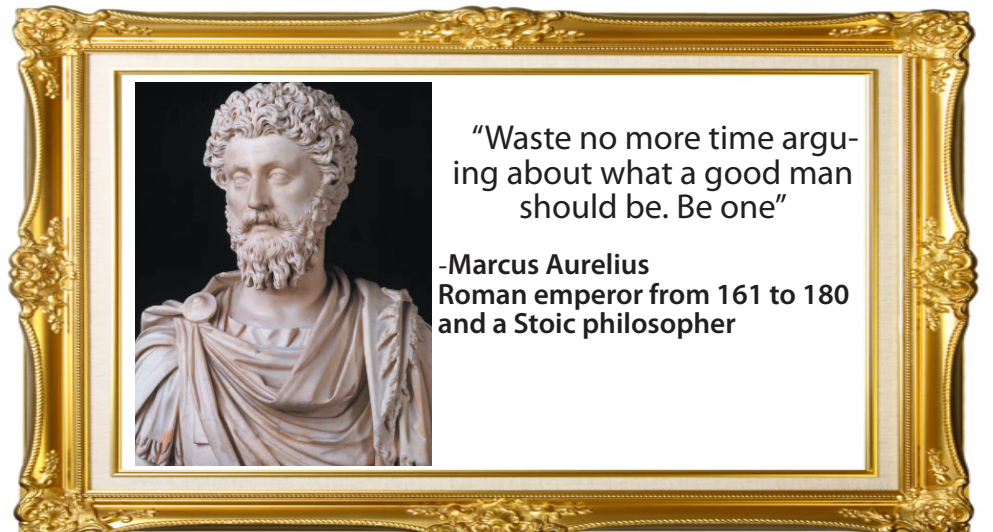

**(21 Jan- 19 Feb)** Flow like a river to the sea, running down hill and falling off of cliffs. Ok maybe not like that.

**(24 Aug- 23 Sept)** Fools rush in where devils fear to tread. If you find out where those places are you can sell maps to tourists who wish to avoid them.

**(20 Feb- 20 March)** Screaming at the heavens may lead to you receiving an answer, in the form of a noise ordinance violation filed by your neighbour.
